

HomeTown is enforcing the following policies due to COVID-19 pandemic to keep our employees and customers safe:

- We are routinely cleaning frequently touched surfaces daily per the CDC's guidelines.
- We have hand sanitizer for your use on the front counter and in all bathrooms and offices.
- If you prefer, call to visit or place an order with our sales crew at any time. We ask that if you are sick that you refrain from entering the store.
- Our warehouse delivery crew will no longer be entering customer's homes. We will gladly place building materials in your garage. New construction sites will continue with normal delivery.
- For in store and measuring onsite, we ask that customers and crew members maintain 6 feet social distance as recommended. Before we come to measure onsite we will contact customer to confirm it is still approved and that no one is sick. We will also remind of social distancing requirements.

Thanks for your cooperation in these trying times,

HomeTown Building Center Crew
